About
VIJAYSSHREE Group

VIJAYSSHREE GROUP is a trusted name in manufacturing and innovation, delivering premium solutions for modern living and commercial spaces. With a commitment to quality, precision, and customer satisfaction, we specialize in creating products that combine functionality, durability, and elegant design.

For 28 years, we have continuously evolved by embracing advanced technology, sustainable practices, and world-class manufacturing standards. Our diverse portfolio includes modular furniture, smart storage solutions, home & commercial appliances, and customized interior products designed to meet the changing needs of customers across India and international markets.

Driven by innovation and backed by skilled craftsmanship, every product reflects our dedication to excellence. From concept to completion, we focus on delivering superior quality, exceptional value, and lasting relationships built on trust.

Today, **VIJAYSSHREE GROUP** stands as a symbol of reliability, innovation, and luxury—creating spaces that inspire comfort, productivity, and modern lifestyles.

KNOW THE RISKS. PROTECT YOUR HEALTH.

INFORMED TODAY, SAFE TOMORROW.

Research and news sources reveal alarming facts about contaminated and unsafe food products that we consume every day.

A DAILY HEALTH HAZARD?

Recent reports highlight serious concerns about packaged and everyday food products.

160+ PEOPLE HOSPITALIZED

after consuming Kuttu flour in Meerut.

Stay cautious. Simple steps can save lives.

527 HARMFUL CHEMICALS

detected in Indian food items by EU food safety authorities.

A major health concern.

474 INDIAN SPICE SAMPLES FAILED

international safety tests; exports suspended to multiple countries.

Quality standards must be upheld.

OVER 400 FOOD PRODUCTS

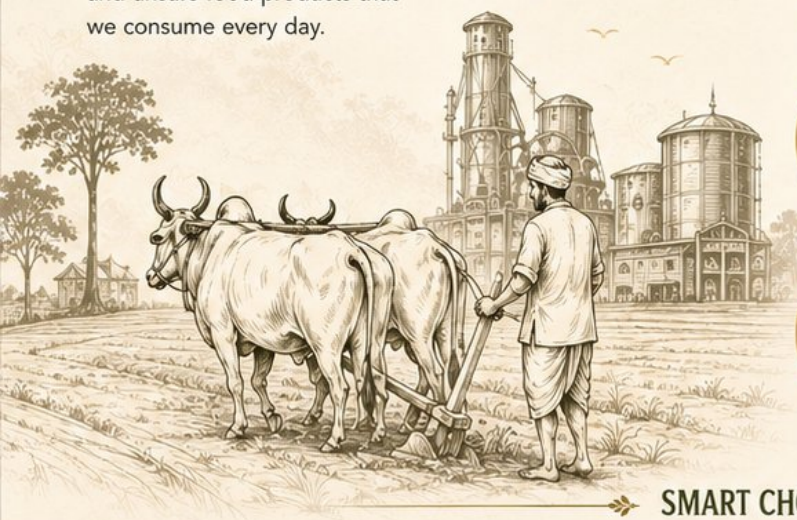

in India found contaminated with cadmium, pesticides & fungal toxins.

Read the full report.

400 KG CONTAMINATED STONE POWDER

used for adulterating flour seized.

A serious threat to public health.

SMART CHOICES. SAFER LIVES.

CHECK BEFORE YOU CONSUME.
Be aware of what you eat.

CHOOSE SAFE. EAT HEALTHY.
Opt for natural, hygienic & trusted products.

PROTECT YOUR FAMILY'S WELL-BEING.
Your awareness is their protection.

AWARE TODAY, HEALTHY TOMORROW.
Make informed choices every day.

Disclaimer: Information is based on various news sources and media reports. Please verify and follow safety guidelines.

Is your flour safe & healthy?

Think Again.

Packaged flour may **hide additives and contaminants**, risking your family's health.

Why settle for less when you can have **100% fresh, pure flour** with **Atta Chakki**?

The Truth About Packaged Flour

WILL SHOCK YOU!

Harmful Preservatives

Packaged atta contains preservatives that can harm your health.

40-50% Nutrients Loss

Within the first 24 hours, it loses up to 40-45% nutrients.

Chances of Pre-Diabetic

1 in 6 Indians is pre-diabetic because of unhealthy food intake.

Source: Research articles and reports from health & nutrition experts.

BEYOND THE PACK.

THINK PURE.

Not all flour is as wholesome as it looks. What you can't see can affect what matters most.

Choose flour that is **naturally pure**, carefully milled and **truly safe.**

RISKS YOU SHOULD KNOW ABOUT

UNSEEN ADDITIVES

Some flours may contain artificial additives and chemicals used for whitening, softening or longer shelf life.

HARMFUL CONTAMINANTS

Traces of pesticides, heavy metals or mycotoxins can be present due to poor sourcing or storage.

NUTRITIONAL DECLINE

Over-processing and long storage can reduce the natural nutrients your body needs every day.

HEALTH CONCERNS

Regular consumption of poor quality flour may contribute to lifestyle disorders and long-term health issues.

MAKE A BETTER CHOICE TODAY

FOR A HEALTHIER TOMORROW.

Sourced Responsibly | Quality Assured | Pure & Natural | Better for You, Better for Family
